ABOUT ME

Experienced Software Architect with over 10+ years of expertise in software engineering for many industries. Easily communicates complex technical requirements to non-technical stakeholders. Excellent leadership record of leading development teams in enterprise-wide development projects. Seeking a Technical Architect/Principle Software Engineer role to expand my engineer career and thrive in an environment that requires independent problem-solving skills and focus under short deadlines.

EXPERIENCE

Senior Software Engineer

Axon Enterprise

Sep 2021 – Ongoing Ho Chi Minh, Vietnam

- Successfully develop & operate large scale Hybrid Cloud Storage handling over 30k+/second request for assert of real estate management. Support other integrated services: Picture processing, office online, OAuth2, Elasticsearch....
- Lead mobile team with 5+ member. Delivery full offline first mobile application can sync with large database over 300 tables and over 100 million records per database instance.
- Deployment & implement in-house database synchronization solution for offline app with database notification service in Rust handling over 100 database instances in extremely real-time.

LIFE PHILOSOPHY

"Keep moving forward. That's how winning is done!"

MOST PROUD OF

New Ocean Information System's Growth
from 2 people to 40 employees after 5 years reach 8 billions VND income

Courage I had
lead a team in many culture/level work to reach saving cost target

STRENGTHS

Startup Spirit | Hard-working (16/24) | Motivator & Leader | Persuasive | Adversity Quotient

Cross Platform & Languages | Mobile Devices & Applications | System Design & Implementation

TECHNOLOGIES

- C#.NET, Java/Scala, Python, C/C++, Rust, Go
- DevOps: CI/CD (TeamCity), Elasticsearch, Minio, Redis, Mongo, Terraform, AWS
- BigDat&IoT: ETL, Apache Spark, InfluxDB, Grafana
- Virtualization: Docker, Kubernetes

EDUCATION

C.S. in Computer Science

University of Science

Sep 2005 – Jun 2008 Ho Chi Minh, VN

B.S. in Computer Science

Posts and Telecommunications Institute of Technology

Oct 2009 – Jun 2011 Ho Chi Minh, VN

- Successfully implement & deploy IAM in-house services for Desktop App, Web App, Mobile App support 99.98% percentage available.

Technical Lead

New Ocean Information System

Apr 2009 – Apr 2015 Ho Chi Minh, Vietnam

- Successfully delivery over 10 projects (Vision, Batch, HMI, SCADA, Automation System) for many FMCG customer: Procter & Gamble, Pepsi, Unilever, Heineken, Vinamilk, Amway, Nestle.
- Lead technical software team over 20 members both network/system/web development from UK, US customers with over 30 small to medium projects.
- Provide outstanding technical support to clients, leading strategy, planing, coaching to win over 30 projects as startup company in Elance market (top 20).

Software Engineer

TMA Solutions

Apr 2008 – Apr 2009 Ho Chi Minh, Vietnam

- Sustaining the SHASTA 5500 Border Gateway developed by Nortel Network fix over 10 critical issues and developed 5 hot patches in 3 months.
- Fixing bugs and develops new features for IPSec Testing Tool QuichSec32 support over 100 features for new product.
- Sustaining the Security Routers developed by ReefPoint System implement IPSec & 3G protocol features.

CERTIFICATES

Data Science Professional

University of Science

Jul 2020 – Jun 2011 Ho Chi Minh, VN

J2EE Professional

NIIT

Sep 2005 – Jun 2008 Ho Chi Minh, VN
